The First of Its Kind

KvG Group Inc. introduces Footlogix, the world's first Pediceutical foot care line. It's the next generation of foot care products to treat a variety of skin conditions affecting the foot—from simple dryness to more serious conditions, such as those resulting from diabetes and fungus. Footlogix is completely absorbed into the skin, leaving no excess or greasy residue, quickly improving the skin's overall health. For more information, call 888-442-4408 or visit www.footlogix.com.
