Put the **AAAHHH...**  
in **Your Spa!**

**Footlogix® ALTIMA Luxury  
Heated Pedicure Chair  
Features:**

- **Multi-use, space saving, sleek design becomes a multi-function table, with a 90°- 180° full power recline!**
- Anatomic upholstery with one-touch "twin memory" moves chair to pre-set positions;
- Extendable, split leg functionality with independently adjustable leg supports, is ideal for all clients;
- Built-in heating system and optional toweling chair covers provide the ultimate pampering to clients;
- Ergonomically designed chair adjusts hydraulically from 24" to 47" seat height;
- Multi-positional foot control reduces strain on technicians... **and MUCH MORE!**

Enquire about complementary equipment and accessories... for the **ALTIMATE** Footlogix Pedi-CARE!

**The Benefits to you?**

- **Multi-function chair saves money, space AND time, with no switch over for manicures, facials & waxing!**
- Technicians and clients of all ages have less strain on legs and knees;
- Swing-out, swing-away legs and arms provide easy entry and exit for all clients;
- Washable chair covers mean no sticking to upholstery and may even be embroidered with your salon's logo;
- Provides higher income potential, by facilitating the bundling of your Salon's services... **and MUCH MORE!**
