footlogix®

Put the **AAAHHH...**
in **Your Spa!**

**Footlogix® SUPREMA
Heated Pedicure Chair
Features:**

- **Multi-use, space saving design becomes a multi-function table, with a full power recline!**
- Extendable, split leg functionality with independently adjustable leg supports, is ideal for all clients;
- Built-in heating system and optional toweling chair covers provide the ultimate pampering to clients;
- Ergonomically designed chair adjusts hydraulically from 24" to 37" seat height;
- Removable / adjustable headrest allows for use as a massage table;
- Multi-positional foot control reduces strain on technicians... **and MUCH MORE!**

Enquire about complementary equipment and accessories... for the **SUPREME** Footlogix Pedi-CARE!

The Benefits to you?

- **Multi-function chair saves money, space AND time, with no switch over for manicures, facials & waxing!**
- Technicians and clients of all ages have less strain on legs and knees;
- Fold down power legs and movable arms provide easy entry and exit;
- Washable chair covers mean no sticking to upholstery and may even be embroidered with your salon's logo;
- Provides higher income potential, by facilitating the bundling of your Salon's services... **and MUCH MORE!**
